## Estrellas en la Calle Foundation (SDAF 0032)

### Project Description:

Increasingly, domestic violence provokes family disintegration, leading many children and youth to engage in prostitution, delinquency and drug abuse. The *Estrellas en la Calle* Foundation receives approximately 45 marginalized and foster children daily but lacks adequate equipment to fully attend to their needs. This SDAF project provided cafeteria furniture and kitchen appliances that will enable them to prepare more healthy and nutritious food for the children.
